+55 11 93933-6545 | ipambrozevicius@gmail.com | linkedin.com/in/isaac-ambrozevicius | github.com/Ambrozevicius

PROFESSIONAL SUMMARY

ServiceNow Analyst at Artycs with hands-on experience in enterprise sustainment and platform development for Sem Parar, Brasilprev and Agibank. Certified in CSA, CAD, CIS-DF and CIS-ITSM, with practical delivery across ITSM, CSM, FSM, App Engine, Flow Designer, Service Portal, ACLs, catalog workflows, integrations, troubleshooting and scripting. Comfortable owning demands from investigation and implementation through testing, documentation and deployment support. C2 English proficiency.

PROFESSIONAL EXPERIENCE

Artycs | ServiceNow Analyst Aug 2026 - Present

São Paulo, SP - Remote

- Provide ServiceNow sustainment and continuous improvement across several enterprise clients, including: Sem Parar, Brasilprev and Agibank.
- Investigate defects and production behavior, implement fixes and enhancements, execute functional validation, and produce technical deployment and rollback documentation.
- Work across ITSM, CSM, FSM, App Engine and Service Portal using Flow Designer, Business Rules, Client Scripts, Script Includes, GlideRecord, ACLs, catalog configuration and REST integrations.
- Delivered changes involving approval flows, catalog visibility, contact type handling, attachment access, database views, mobile forms, incident/request automation and CMDB/model data.
- Built a procurement App Engine proof of concept for Agibank with custom Task-based tables, staged workflows, dynamic SLAs, portal intake, reporting and procurement task automation

.

FIAP School | Mandatory Internship - Technical High School Completion Jan 2025 - Dec 2025

São Paulo, SP

- Developed a Node.js web application for the technical graduation project, implementing backend routes, request handling and business logic.
- Used Git and GitHub for version control, collaborative development and project delivery.
- Developed a responsive web application frontend with Angular, building modular, maintainable UI components.
